July 24, 2025

## OVERVIEW

Visit Penn's Cave, the only cave in Pennsylvania on the National Register of Historic Places!

Featuring glittering stalactites and stalagmites, you'll enjoy a guided 45 minute tour by flat-bottom motorboat winding through cavern passageways.

Please note there are 48 steps leading to the cave's main entrance, which is not handicapped accessible.

You will have time for shopping and lunch on your own.

Finally, Penn's Cave's 1,600 acres have been carefully preserved for birds and animals. See Native North American animals such as bison, Texas longhorn cattle, red & silver foxes, black bears, elk, whitetail deer, bighorn sheep, wild burros, mountain lions, and their wolf pack of gray and arctic wolves on a 90 minute tour!

Dinner will be included on your way home.
