10:15 AM Arrive at Northern Central Railway

Enjoy the beauty of fall in southern York County as we follow the original Northern Central Railroad, in operation since 1838, on their gorgeous 30-mile round trip train ride. Winding through the Historic Codorus Valley with a brief stop at the Howard Tunnel to stretch your legs, the Howard Tunnel is the oldest active passenger railroad tunnel in the country! A boxed lunch is included. Your conductor and brakeman will tell you about the history and growth of the towns and villages you pass along the way.

3:30 PM Brown's Orchard & Farmers Market

Enjoy a quick tour learning about Brown's history and the importance of honey bees and apple tree growing. Then walk through their apple trees to pick a small bag of apples to take home!
