

The Willard Group

Amish Backroads

And More

July 31, 2026

8:00 AM Depart Walmart Waynesboro

Start the day with the Amish Experience Theatre—Jacob's Choice. Truly a one-of-a-kind experience and only the third theater of its type in North America. "Jacob's Choice" tells the emotional story of the Fisher family, from sixteenth century Europe to modern-day America. Ghostly effects, cannon, wind, rain and fire effects immerse you in the world of the Amish.

Greet step on guide for your back road and market tour. First, the Amish Experience tour guide will step on board the group's motorcoach and conduct a guided tour of the Amish farmland. They'll explain the "how" and the "why" of the Amish culture, explaining whatever is going on out in the countryside that day. The guide will make several stops along the way out in the Amish Farmland at roadside quilt and craft shops, bakeries, etc.

12:30pm the guide will take the group to an Amish family's home where the group will enjoy an all-you-care-to-eat, family-style feast of typical PA Dutch cooking. The food is made by an Amish family who has a catering license. Thus, the food is all prepared according to food safety regulations. The food is then delivered to the Amish family's home where the meal is served. There will be some time after the meal for Q&A with the Amish hosts.

After lunch continue our back roads tour visiting more Amish countryside sites.
